Mr. Lynn Kunzler  
Utah Division of Oil, Gas, and Mining  
P.O. Box 145801  
Salt Lake City, Utah 84114-5801

Dear Mr. Kunzler,

Please accept the enclosed request for a Small (4.996 Acre) Mine Plan in Section 24, T43S, R17W. Good Earth Minerals, LLC (Utah Business Registration # 7588055-0161) is proposing this 43 CFR 3809 plan according to the enclosed documents. The Utah Division of Oil, Gas, and Mining supplied the format.

I, Frederic Johnson, am a professional geologist acting as an agent for Good Earth Minerals, LLC (GEM) to help facilitate the processing and permitting of this plan. I intend to work closely with JBR Environmental Consulting (JBR), BLM, and the Utah Division of Oil, Gas, and Mining through the NEPA process.

I look forward to working with your agency and BLM to develop the necessary biological, cultural, and environmental studies and assessment and determining a financial assurance for GEM to post.

Thank you for your help on this request.

Sincerely,

Frederic C. Johnson, PG  
President  
Industrial Mineral Developments, Inc.
